## Section 13.2—Business Events & Business Promotions

(b) A Business Promotion is a marketing promotion for a business for sales items or advertising specials. Business Promotions are permitted in all commercially zoned districts. A no-charge zoning permit is required to be obtained from Code Compliance for each Business Promotion.

1. All businesses shall be allowed to have a maximum of twelve (12) Business Promotions per calendar year
  - a) Each Business Promotion shall last no more than seven (7) days in duration.
  - b) A minimum of five (5) days must elapse between each Business Promotion and a minimum of five (5) days must elapse between a Business Promotion and a Business Event.
2. No more than one (1) sign on the exterior of the business is permitted for a Business Promotion.
  - a) Such sign shall not exceed ten (10) square feet in area.
  - b) Any business that is utilizing the 'A' frame sign that is currently permitted by City Code shall not be permitted to place additional temporary signage outside of the business for a Business Promotion.
  - c) No temporary signage shall be located along the US 41 corridor or any public road that abuts the business for a Business Promotion.
3. A single outdoor display rack of merchandise on the exterior of the business is permitted with any Business Promotion.

Any display not brought inside of the business at close of business day is considered outdoor storage and is prohibited.

### Rules of Interpretation

Signage for all Business Events, Business Promotions, Grand Opening Events, and Temporary Promotional Events listed here-

in are subject to the following conditions unless otherwise specifically permitted or prohibited. The term 'event' as it is used in this section shall mean a Business Event, Business Promotion, Grand Opening Event or Temporary Promotional Events:

- (a) All signs must be professionally made or computer generated unless a portable chalkboard is used.
- (b) The sign area of any 'A' frame sign that is being utilized during any event as may be permitted by City Code shall be counted as one of the signs permitted or the only sign if a single sign is permitted. The sign area of such sign shall be counted towards the total square feet in area of signage permitted for any event listed herein.
- (c) Exterior temporary signage for events located within the City Center (CC) and Neighborhood Center (NC) zoning districts shall be located within five (5) feet of the business entrance or shall be placed on the facade of the building.
- (d) Exterior temporary signage for events located within the Highway Commercial (HC) and Special Purpose (SP) zoning districts shall be located within fifteen (15) feet of the business entrance or shall be placed on the facade of the building.
- (e) Exterior temporary signage for businesses located in shopping centers shall be located no more than fifteen (15) feet from the main entrance door to

their business; or if impractical, temporary signage may be placed no farther from the main entrance door than the far edge of the sidewalk or landscape island directly abutting the business frontage on the internal drive aisle.

- (f) No temporary signage for any event shall be permitted to be located near US 41 or the primary public road abutting the commercial or residential property in these zoning districts, unless otherwise specifically permitted or regulated.
- (g) No temporary signage shall be placed in a manner that impedes pedestrian or vehicular traffic or creates a hazard. A minimum 48" wide clear pathway must be maintained at all times.
- (h) Businesses located on the interior of an enclosed mall or building shall not be permitted to display exterior temporary signage outside of the confines of the mall or building unless they have ground floor public street frontage to accommodate such temporary signage.
- (i) No more than a total of 33% of a business' windows may be obscured by exterior or interior temporary signage, including any current permanent signage that may be covering the business window.
- (j) Temporary promotional signage that is changed on a regular basis and is located on the inside of a window shall be permitted at any time without obtaining an event permit or sign permit provided that such signage does not exceed 33% of the window pane, including the sign area of any permanent signage on that window.
