

In response to requests from our citizens and visitors who use our parks, recreational trails, and open spaces, the City of Punta Gorda is pleased to provide an Amenity Gift Program. This program provides you an opportunity to help *“Restore, Maintain & Improve”* our City’s Public Spaces. Monetary contributions for public amenities make great gifts for any occasion, while investing in our City’s parks, recreational trails & open spaces. These gifts provide meaningful tributes which leave a lasting legacy to a family or friend while supporting much needed City infrastructure. The program allows for the donation of a new amenity (bicycle rack, bench, etc) to be located in a public space where none exists; the “adoption” of an existing or pre-planned amenity; or the donation of a monetary gift of any amount to be placed into the general fund which will be used for the replacement of an aging pre-existing City amenity. Sponsors will work with an Urban Planner to identify specific needs and locations.

### *“Restore”*

Sponsors may choose to donate a monetary gift of any amount to be placed into the Amenity Gift Program to be used to assist in the restoration and/or replacement of aging City amenities. Sponsors will receive a “Certificate of Sponsorship”.

### *“Maintain”*

For a donation of \$500.00 sponsors may choose to “adopt” an existing or pre-planned City amenity. The donation amount includes a “Certificate of Sponsorship” and the installation of a sponsor plaque. Contact The Urban Design Division for specific locations that are currently available.

### *“Improve”*

Sponsors may choose a specific amenity and a specific public space. The donation amount includes a “Certificate of Sponsorship”, sponsor plaque, amenity, shipping & handling, site preparation, and installation. Note: Amenities are specific to each individual public space. Contact the Urban Design Division for complete details.

### *Amenities For Purchase*

- Hibiscus Bench
- Hibiscus Receptacle
- Cherry Bench
- Cherry Receptacle
- Cherry Backless Bench
- Picnic Table
- Bicycle Rack
- Bicycle Fixit Station
- Fitness Equipment

Site furniture ranges in price from \$1,000-\$5,000.  
Actual cost is determined at time of order

## "Sponsor Plaque"

Sponsors have the choice of the following two plaques options:

"A gift from ...." or "A gift to ...."

*A gift from  
Charlotte Community Foundation*

Placement of sponsor plaques shall be discrete and consistent in all public spaces. The City is not responsible for replacing plaques if they are damaged or vandalized.

While the City respects the desire of individuals to remember their loved ones, it also recognizes the desire of other community members not to be burdened with a constant reminder of death in public places.

**NOTE:** The City of Punta Gorda, is a non-for-profit municipal government entity. Donations may be tax deductible as provided in IRS Code Section 170 (c)(1); please check with your tax professional on the amount of the contribution that may be allowed.

To make a monetary gift of any amount, please complete the following:
