INFORMATION SHARING REPORT

April 8, 2019

Welcome

Great News

Engineering has an article in Civil & Structural ENGINEER magazine regarding the Hurricane Irma sea wall replacements on pages 35-36 https://s3-us-west-2.amazonaws.com/csmagazine-issues/CS0419_online.pdf.

Public Works congratulates Arzlus Jones, Sanitation Worker on receiving his CDL Class B license and promoting him to Sanitation Worker II!

Community Outreach

The Public Works Department hosted the sixth Citizens Academy session at its Cooper Street campus. After a description of Department functions and the role of various Department divisions by Director Rick Keeney, participants were given a tour of Public Works Campus along with demonstrations by Sanitation, Canal Maintenance and Right of Way Divisions.

Training

It's not too late to register for the Naviline H5 Training. The signup sheet is located at ["Z:\Training\Naviline H5 Training Schedule.docx"](Z:\Training\Naviline H5 Training Schedule.docx).
