

Florida's Harborside Hometown

## INFORMATION SHARING REPORT

April 15, 2019

### Welcome

Michael Makedonski, started on with the City of Punta Gorda on Apr. 8 as SCADA Analyst, Water Plant, with the Utilities Department.

### Community Outreach

City Manager Howard Kunik participated in a panel with other Southwest Florida managers regarding ethics in your local organization. Sponsored by the Florida City/County Management Association, the panel discussed expectations and trends before fifty practitioners and graduate students at Florida Gulf Coast University.
